STIPULATION

WHEREAS on July 12, 2012, counsel for the parties met and conferred as ordered by the Honorable Joseph C. Spero, regarding Defendant's production of contact information for putative class members;

WHEREAS, the parties agreed that there are potential privacy issues implicated by the release of the putative class members' contact information;

WHEREAS, the parties agreed to provide putative class members the opportunity to opt out of the release of their contact information through the notice process followed in *Pioneer Electronics* (USA), Inc. v. Sup. Ct., 40 Cal. 4th 360 (2007) and in *Belaire-West Landscape*, Inc. v. Sup. Ct., 149 Cal.App.4th 554 (2007);

WHEREAS, the parties agree to modify the current stipulated protective order confirming that the parties will only use the putative class member contact information for purposes of this litigation. A modified stipulated protective order will be submitted to the Court for approval by August 6, 2012;

WHEREAS, the parties agree that the current court deadlines, including the August 20, 2012 discovery deadline, must be vacated and new dates scheduled to allow the parties time to complete all necessary discovery. Additional time is also warranted as a result of the *Belaire* notice process and to allow the putative class members the opportunity to opt out of the release of their contact information. To that end, the parties agree to the following schedule:

Plaintiff will provide Defendant with a proposed *Belaire* notice by July 30, 2012;

Defendant will provide Plaintiff with any comments regarding the notice by August 6, 2012;

In the event the parties are unable to agree on the contents of the notice, they will attempt to schedule a call with Magistrate Judge Spero on August 6, 2012, subject to His Honor's availability;

By August 13, 2012, Defendant will provide to a Claims Administrator selected by Plaintiff and approved by Defendant, a complete list of all putative class members and their contact information, including, the name, address, personal and/or personal cellular telephone numbers (to the extent contained in personnel records), employee identification number (or some other means of identifying

11	this information confidential, and will not contact putative class members who have informed Plaintiff's		
12	counsel that they do not wish to communicate with counsel in this matter. Plaintiff's counsel will		
13	maintain a list of those putative class members who have indicated that they do not wish to		
14	communicate with counsel, and such list will be maintained for the internal purposes of Schneider

17	Defendant will file its opposition to Plaintiff's Motion for Class Certification by February 22,		
18	2013;		
19	Plaintiff will file her reply to Defendant's Opposition to Plaintiff's Motion for Class Certification		
20	by March 8, 2013;		
21	A hearing on Plaintiff's Motion for Class Certification should be set for a date convenient to the		
22	Court's calendar.
